Phone: (435)884-4635
Fax: (435)884-0426

TO OUR GRANTSVILLE CITIZENS:

We appreciate your cooperation in helping the City slow down the spread of Covid-19. We are taking extra precautions for your safety and of our employees. We agree with Governor Herbert and his response to eliminate large gatherings. Social distancing can help reduce the spread of this virus. Our citizens are our main priority and we will take the recommendations of our health officials to keep us safe and healthy. We were sad to hear about the canceling of the Sociable, but agreed with the safety precautions, especially for our more vulnerable population. The Grantsville Senior Citizens center is also closed until further notice.

The most important thing we can do is to protect yourself and your family by following recommendations from trusted sources such as the CDC or Utah Department of Health. You can find updated information at coronavirus.utah.gov. They recommend the following:

1. Wash your hands frequently
2. Avoid touching your eyes, nose, and mouth.
3. Stay home when you are sick.
4. Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
5. Clean and disinfect frequently touched objects and surfaces.

Grantsville City will take the following precautions:

- Police and Fire Departments will continue their functions as normal.
- City Hall remains open for business. However, we are encouraging utility and other payments be made on-line as much as possible or use our utility drop-off box in the parking lot. Call City Hall with any questions you have.
- The Grantsville City Library will remain open also. However, the programs and activities hosted by the library are temporarily canceled.
- City Council and Planning and Zoning meetings will be held as scheduled. Public hearing comments can be emailed to cwebb@grantsvilleut.gov if you don't want to attend.
- City Parks will remain open.
- Our culinary water system is unaffected. It is an enclosed system and you will continue to receive clean water.

Grantsville City is appreciative of your cooperation. Let's use our great technology and email or call with any concerns you may have. This will help protect citizens and employees. I would love to hear from you.

Mayor Brent K Marshall
